RE: Diane Baklor

Dear Andy:

I wrote to you on November 5, 2002 requesting dates for the deposition of Diane Baklor. I would add to that request that I would like copies of all documents that were not produced pursuant to document production or the previous deposition notices including, but not limited to, the settlement agreement between the Baklors and NMW/Sovereign.

Please let me know some dates that you and Ms. Baklor will be available so we can undertake the conclusion of discovery.

Very truly yours,  
  
 Andrew Radding
